MR MICHAEL POWELL

CHAIRMAN THE FEDERAL COMMUNICATIONS COMMISSION

DEAR MR POWELL,

I AM AN AMATEUR RADIO OPERATOR. WHEN I WAS LICENCED,
THE RADIO TELEGRAPH MORSE CODE WORDS PERMINNET WAS
MUCH HIGER STANDERD THAN IT IS NOW. I AM IN FAVOR OF
RETAINING THE PRESENT 5 WORDS PERMINNET INTER-
NATIONAL MORSE CODE REQUIREMENT FOR OBTAINING
AN AMATEUR RADIO OPERATORS LICENCE TO OPERATE
ON FREQUENCIES BELOW 30 MHZ.

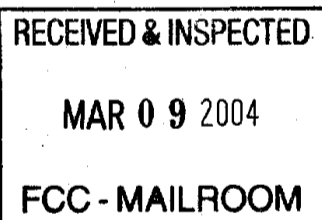

RADIO TELEGRAPHY, INTERNATIONAL MORSE CODE IS
A GOOD DISCIPLINE. IT CAN TRANSMIT VERY IMP-
ORANT INFORMATION WHEN EVEN GOOD RADIO TELETYPE
MODES DON'T WORK AT TIMES!

PLEASE CONSIDER RETAINNING RADIO TELE-
GRAPHY INTERNATIONAL MORSE CODE, FOR THE
AMATEUR RADIO SERVICE.

THANK YOU AND GOD BLESS YOU,

FRANCIS K DILL JR
